World Kanreikai Karate

16th Annual Summer Camp

Hanshi Manny Matias and Shihan Denis Cordeiro will be hosting the 16th World Kanreikai Karate Summer Camp that promises to be more exciting than ever!

After a break of 3 years, our summer camp will not only be a training camp but also an opportunity to see and meet Kanreikai students and to create bonds of friendship..

At World Kanreikai Karate, we never give up! We push our limits with every workout. At camp, we will work hard but we will also be able to take advantage of the additional time that we will spend together.

Regardless of their belt level, students will participate in training sessions led by our grand master Hanshi Manny and several high-ranking members of the organization.

Let's not forget the families! Our schedule will include family activities that will appeal to everyone, young and old.

Mark your calendar! Get your gear ready and take part in the 16th World Kanreikai Karate Summer Camp!
